

Gian Gherardo Calini,
Head of Market Development, GSA.

Gian Gherardo Calini became GSA's Head of Market Development in December 2006. Prior to joining the GSA, he held senior marketing and business development positions in the transportation and service industries. He built his management experience working for McKinsey & Company, Procter and Gamble and Citibank, where he held marketing and business development positions. Mr. Calini holds a Master's Degree in Economics and Commercial Engineering from "La Sapienza" University in Rome and a Master of Business Administration from INSEAD in Fontainebleau.
