

**Stefano Iannitti,***Head of the Security Department, GSA*

Stefano Iannitti has been an active contributor to the development of security in the European GNSS programmes since 2003. He took up his current position at the GSA in October 2015. Prior to this role, Mr Iannitti was the GNSS Security and Standards Manager at the GSA between 2014 and 2015, in charge of the management of the security requirements of both the Galileo and EGNOS programmes. Prior to that, he worked at the Agenzia Spaziale Italiana where he was appointed as Head of Galileo PRS Unit. From 2007 to 2011 he worked at the GSA as Security Accreditation Officer for the establishment of the Galileo security accreditation process and of the Security Accreditation Board for European GNSS systems. Mr Iannitti holds a Master degree in IT and Network Security, a PhD in Systems Engineering and a Degree in Computer Engineering from “La Sapienza” University of Rome.
